

# **16th Annual Bay Ridge Swim team:**

# **Swim-a-thon**

**July 15 through July 16, 2017**

The 24 hour Swim-a-thon was first conceived sixteen years ago for one of our 4 year old swimmers being treated for leukemia. Our swimmer, now 20 is in full remission, but our team is still swimming strong to help cure other kids. The kids have raised over \$425,000.00 in the past fifteen years! All monies raised go directly to pediatric cancer research at Johns Hopkins. The Swim-a-thon is local, the cause is great, and the swimmers have made a difference.

**Make all checks payable to: Johns Hopkins Pediatric Oncology**

## Ways to Support:

1. **Sponsor a young swimmer** - by pledging \$ per each length (i.e. Pledge: 10 cents per length. If child swims 180 lengths which is \$18.00)
2. **Give a one time donation**
3. **Be a Swimmer** – Anyone can swim! Sign up today
4. **Donate a Corporate Pledge** -- money/per team mile, one time donation, or matching funds
5. **Be a Volunteer** – We need lap counters, food donations, food distributors, chaperones, standby medical personnel, etc.
